Dear Parents:

The spring 2010 season begins January 5 and runs through May 2010. Students are required to attend at least 90% of the time for the entire semester and attendance is taken at all practices. If there is inclement weather practice will be indoors at the boathouse and rowers are required to attend.

Students will be instructed on and must complete 100% of the written assignments for their student journals during each grading period. Failure to submit journals will result in a failing grade. Students will be graded on TEKS-based skill improvement, physical activity and health concepts, and social development. Grades will also be determined by other expectations, which may include good attitude, preparation to participate, etc.

Please feel free to contact the club with any questions about the AISD PE credit program.

Sincerely,

Jennifer de Haas
Austin Rowing Club Juniors Head Coach
