Directions to Austin Rowing Club

From I-35 take the Cesar Chavez exit. Go West on Cesar Chavez to Trinity. Turn left on Trinity, and drive one block to dead end cul-de-sac. The rowing center is a short walk down the path to the lake.

Where to Park

There is no parking at the Waller Creek Boathouse except for staff. Metered parking can be found on the surrounding streets (Cesar Chavez, Trinity St, San Jacinto, etc.) in any space you can find. Do not leave anything valuable in your car. Parents can drop off and pick-up their children at the cul-de-sac (Trinity and Cesar Chavez). If you wish to walk your child to the boathouse, please park at 600 River St., the Mexican American Cultural Center and follow the footpath over Waller Creek to the boathouse.

What to Wear

Rowers will need either spandex shorts or other form fitting shorts as well as t-shirts or tank tops. Baggy shorts will get caught in the slide and can rip. Shoes are provided in the boat but all rowers will need workout shoes for land training and socks for in the boat. In cold weather rowers should dress in layers to keep warm and remember it is colder on the water than on land. Since we will row in light rain, rowers should bring extra clothes to change into once we get on land.

Rowing Supplies

All rowers are required to have at least one 32 oz water bottle with them at every practice. Write your name on your water bottle. It is recommended in hot weather that rowers bring a second water bottle with them to practice.

Rowers should also keep band-aids and athletic tape in their practice bags for wrapping their hands.
