Heart of Texas Regatta	February 26 & 27	1,400	2,000

The Heart of Texas Regatta, a USRowing Nationally Recognized Regatta, is held annually in late February-early March, making it one of the first sprint regattas of the spring. Since 1983, Austin Rowing Club has had the pleasure of hosting this fast-paced regatta on Lady Bird Lake. In the beginning, the regatta was primarily for visiting crews and today the event has grown to include Masters, Open and Junior events across two days of racing. Held on a seven lane, fully-buoyed 1,000 meter course with a state-of-the-art starting platform, this regatta sees over 800 entries with 1,500+ competitors annually.

Vendor Space & Tent Rental Equipment:

Vendors have the option to provide their own tent and equipment. Vendors that provide their own tent will be provided ample space for a tent in one of two sizes: 10x10 and 10x20. If you would like to rent any additional tables and chairs, there is an option in registration to select the quantity that you will need.

There is also the option to have arrangements made through Austin Rowing Club to provide a tent in one of three sizes: 10x10, 10x20 and 20x20. Each tent rental provided by Austin Rowing Club will include lighting, tables and chairs applicable to size of tent. If a vendor needs additional tables or chairs please indicate on the registration form below.

- Merchandise should not extend beyond 5 feet from the tent, due to available space – those who do so may be asked to consolidate their merchandise or pay for additional space.

Boat Exhibitors: There is no additional charge for exhibiting rowing shells in slings. However, space is limited. Each vendor likely has room for one single and one pair/double depending on location of tent.

Electricity:

Electricity is provided at an additional charge per day. Each tent rental through Austin Rowing Club will include individual tent lighting, although we need to know ahead of time if you will require electricity. Please contact us if you will need electricity in your tent.

Certificate of Insurance:

Vendors must provide a certificate of insurance naming Austin Rowing Club as additionally insured. Certificates must be submitted two weeks prior to each of the regattas you will be attending, in order for your registration to be completed. For those that register after a regattas deadline must include certificates of insurance at the time of the registering.

Vendor Layout: All tents and vendors are located in an area around the event registration setup. A tent diagram example will be emailed week of event.

Reservations:

Fill out the attached vendor registration form and return four weeks prior to event date. Any form submitted after the deadline will be subject to a \$150 additional charge. Austin Rowing Club will not be able to provide tents after this deadline.

Cancellations: Should it become necessary to cancel your reservation, notify Austin Rowing Club immediately. The following cancellation policies apply;

- 31-60 days from event; full registration fee returned
- 15-30 days from event; 50% of registration fee returned
- Registration fees will not be refunded if notification is received within two weeks of the Regatta signed up for.
