

LOVE LADY BIRD LAKE DAY

SATURDAY APRIL 11TH, 2026

AUSTIN ROWING CLUB

Kayak, Paddleboard, or Walk the Trail to pick up trash on Lady Bird Lake!

We are hosting an Earth Day cleanup where volunteers will be picking up trash on Lady Bird Lake as well as the shore and trails surrounding the lake in Austin, Texas.

This is a FREE event for the community where we will provide all the necessary cleanup supplies, safety equipment, and boats needed in order to be successful. We will be utilizing our outdoor event space and docks to facilitate the event creating a one of a kind experience tailored to 500 plus volunteers.

We are a community boathouse and our Earth Day Event will directly reflect our mission to promote physical fitness, teamwork, and environmental stewardship.

6,000 pounds of trash collected in 2025
